

Beverly Clarke MBE

Tech Education Expert™

LIFE COACH
&
MENTOR

With years of experience in coaching and mentoring, Beverly empowers private clients, organisations and trainee teachers to reach their full potential. As a strategic advisor, she helps individuals and teams navigate the evolving tech landscape and bridge the gap between industry and education. Beverly shares insights and practical guidance on her podcast. She is also the Founder and CEO of Technology Books for Children, a public speaker, a trustee for two national charities and a small business Sunday award winner. In 2024, Beverly was awarded an MBE for her Services to Education.

CLIENT FEEDBACK

"Beverly's coaching sessions have been invaluable in providing dedicated time to reflect, plan, and approach challenges with fresh insight"

"Beverly played a key role in shaping the GCSE Computer Science course I developed, contributing ideas from her extensive knowledge and experience. Her advocacy for STEM careers has opened up further opportunities for our students and I highly recommend working with Beverly for any professional development!"

"Her sessions have strengthened my leadership and reinforced trust in my own actions. I highly recommend her coaching to any leader seeking clarity, direction, and professional growth"

"We have benefitted from Beverly's coaching expertise across a variety of programmes. She is a highly skilled professional and has supported our coaches and volunteers to develop their own skills through encouraging deep reflection"
