

# Beverly Clarke MBE

Tech Education Expert™

SPEAKER

With years of experience in education, leadership, public speaking, professional coaching, and writing, Beverly is a dynamic speaker who inspires and engages audiences of all ages, from school visits to industry events, on the evolving tech landscape. As a strategic advisor, she helps individuals and organisations bridge the gap between industry and education. Beverly is the founder and CEO of the charity Technology Books for Children, a podcast host and a trustee for two national charities. In 2024, she was honoured with an **MBE** for her **Services to Education**.
